WORKING DRAFT

WORLD RADIO TRANSCRIPTIONS

100 to 758

by

Charles Garrod

Published April 1990

First Printing

Thanks go to Dave Kressley for his help. Also to Sam Brylawski and Wynn Matthias at The Library Of Congress.

The 100 series is but one of the World Radio Transcription series. These were studio recording sessions that were put on 16 inch discs and leased to radio stations all over the country. Many of these discs are still around, in the hands of collectors and can often be found at record collectors' conventions and on auction lists.

A JOYCE RECORD CLUB PUBLICATION, BOX 1687, ZEPHYRHILLS, FLORIDA 33539
